EDUCATION

Pratt Institute

Brooklyn, NY

School of Architecture: Graduate Center for Planning and the Environment

August 2025 - May 2027

Master of Science: *Urban Planning*

GPA: 3.8

Vanderbilt University

Nashville, TN

Bachelor of Science: *Human & Organizational Development*

May 2023

Minor: *Data Science*

GPA: 3.7

Universidad Carlos iii de Madrid

Madrid, ES

Study Abroad – *Concentration in Business and Data Science*

January 2022 – June 2022

SKILLS

Excel, Adobe Creative Cloud, ArcGIS, RStudio, SQL, PowerBI, Tableau, SketchUp, Spanish ~ B1 Level

EXPERIENCE

Pratt Institute Graduate Teaching Assistant

Brooklyn, NY

Teaching Assistant

August 2026 - Present

- Graduate Teaching Assistant for Quantitative Planning Methods, leading lab sessions, office hours, and one-on-one instruction in SPSS and Excel, reinforcing how quantitative methods inform planning practices and policy decisions

BFJ Planning

New York, NY

Graduate Intern

April 2026 - Present

- Perkins Eastman's Architects specialty studio focused on urban planning and design, supporting municipalities and state agencies across New York City tri-state area on planning, zoning, and built environment design
- Collected, entered, and analyzed community survey data using Excel and Power BI, translating raw responses into visualizations and dashboards that surfaced key planning insights for project teams
- Produced client-ready maps, graphics, and presentation materials using ArcGIS and the Adobe Creative Suite to communicate findings and design recommendations clearly to clients

Hudson Square Business Improvement District

New York, NY

Planning Assistant

August 2025 - October 2025

- Contributed to evidence-based urban design process by analyzing movement flows and identifying optimal configurations for new public plaza in Hudson Square
- Conducted traffic and pedestrian data collection for a planning and re-design initiative, accurately counting over 200+ vehicles, bicycles, and pedestrians at designated intersections to support decision making

KP Environmental Inc.

San Diego, CA (remote)

Environmental Planner Intern

April 2023 - August 2023

- Conducted comprehensive research and analysis on California legislative initiatives streamlining California Environmental Quality Act (CEQA) processes for energy infrastructure projects
- Utilized geospatial analysis through California County GIS datasets to evaluate environmental and regulatory impacts of proposed energy projects, providing quantitative assessments of development feasibility and compliance requirements.

Nashville Predators NHL

Nashville, TN

Business Strategy and Analytics Intern

August 2022 - January 2023

- Developed advanced financial analytics dashboards using Tableau and Excel to visualize key performance metrics, enabling data-driven decision making and identifying growth opportunities within Marketing Department and more
- Used SQL and SSMS to pull contacts for Ticket Sales Team and for other ad hoc datasets

AgriCapture

Nashville, TN

Data Intern

July 2022 - October 2022

- Improved data analysis and visualization of AgriCapture's Soil Enrichment Project which generated Carbon Credits to be sold to buyer networks and created over 110,000 acres of regenerative farmland across the U.S.
- Utilized GIS by mapping coordinates of farmland fields and tracts to shapefiles, improving overall analysis

LEADERSHIP & VOLUNTEER EXPERIENCE

Pratt Institute Planning Students Association

Brooklyn, NY

Cohort Representative
